SITE EVALUATION COMMITTEE**

Docket No. 2015-05

**Re: Joint Application of New England Power Company
d/b/a National Grid and Public Service Company of New Hampshire
d/b/a Eversource Energy for a Certificate of Site and Facility**

April 28, 2016

ORDER GRANTING MOTION TO RECORD TECHNICAL SESSION

A technical session for the examination of the Intervenors' witnesses is scheduled for May 5, 2016.

On April 21, 2016, the Applicant filed an Uncontested Motion to Have Technical Session Transcribed. The Applicant requests that the Subcommittee allow it to record the May 5, 2016, technical session and to prepare the transcript(s) associated with said recording.

The request to record and transcribe the technical session is a reasonable request. Considering that the Applicant made said request, it is reasonable to order the Applicant to bear the costs associated with the recording and transcription of the session. Therefore, the Applicant's request to record and transcribe the technical session is hereby granted with each party bearing its own costs. The Applicant shall be responsible for arranging and paying the costs associated with recording and preparing the transcripts of recording of the technical session. The Intervenors and Counsel for the Public shall bear the costs of the copies of the transcript if they choose to obtain a copy.

So ordered this twenty-eighth day of April, 2016:

F. Anne Ross
Site Evaluation Committee
Presiding Officer
